

A Cartographer At Work!

Choice One: An Island Of Your Own

Have you ever wished to escape to a place of your own? Well now it's time for your wishes to come true. You are now given the chance to create your own island! Use your imagination to draw anything you'd like. Inside the given grid, draw your island. Be sure to include:

1. Legend (including 6 to 10 features)
 - Symbols: draw a symbol for
 - natural features (trees, water, sand, etc)
 - human made features (stores, hotels, houses, parks, theme parks, game rooms, etc.)
 - Labels: make sure to label each symbol
 2. Grid
 - label and number your grid
 3. Compass Rose
 - draw compass rose
 - label cardinal and intermediate directions
 4. Title and Cartographer
-

Choice Two: Create Your Own Playground

Have you ever been to a playground and wished it had other activities to do? Well now it's time for your wishes to come true. You are now given the chance to create your own playground! Use your imagination to include any type of equipment you'd like. Inside the given grid, draw your playground. Be sure to include:

1. Legend (including 6 to 10 features)
 - Symbols: draw a symbol for
 - each piece of play equipment (swings, slides, see saw, etc.)
 - natural features (trees, water, sand, etc)
 - human made features (water fountain, rest rooms, benches, etc.)
 - Labels: make sure to label each symbol
2. Grid
 - label and number your grid
3. Compass Rose
 - draw compass rose
 - label cardinal and intermediate directions
4. Title and Cartographer
